

## FIRST BROTHER REPORTED ABSENT BY LOCAL ELKS

TONOPAH LODGE HOLDS MEMORIAL SERVICES YESTERDAY AFTERNOON.

Tonopah lodge 1062, Benevolent and Protective Order of Elks, observed its first memorial services yesterday to pay fitting tribute to the memory of a departed brother. Since the inception of the local lodge the grim reaper deferred visiting the ranks until Dr. C. L. Hammond was summoned Friday evening. This being the first observance of its kind to be held by the Elks, the occasion was all the more sadder. The full ritualistic rites were performed in which Frank P. Mannix was called upon to deliver the eulogy of the absent brother.

Mr. Mannix dwelt on the irreparable loss suffered not only by the lodge but by the community as well. His address contained many references to the life of Dr. Hammond which was sacrificed for the benefit of mankind; of his work to alleviate suffering without a thought of compensation, and of prominence in the medical world.

The Elks hall was crowded by members of the order and deep attention was paid to the rites which were concluded by all joining in the hymn "Nearer My God to Thee." The services were held at 2 o'clock, which was the same time the Elks lodge at Oakland were holding their services over the remains of Dr. Hammond.

## FIRE LADDIES PROVE EXCELLENT ENTERTAINERS

REALIZE NEAT SUM AT BENEFIT PERFORMANCE LAST EVENING.

To say that the Butler theater was jammed last night would be a mild description of the popular Main street playhouse. Not only was standing room at a premium inside the theater but there were times when the entire sidewalk was a mass of humanity, waiting to gain entrance to the show. The volunteers were on hand early in the evening and they certainly showed class in the way they boosted the show. The regular barker was crowded off the boards when it came to announcing the program. When one would get a little bit husky in voice, there was a dozen substitutes to take his place at the horn, and the din would be resumed with vigor. The show was well worth the price of admission, which ranged anywhere from ten cents to \$10, several public spirited individuals paying the latter price for one little piece of pasteboard. The electric Indian club swinging act, given by William Shaffer, H. H. Atkinson and H. J. Annawald, was exceptionally clever and received merited applause. The ventriloquist stunt by Harry B. Holland was also a clever piece of work. The three shows were crowded and there were a few who were unable to gain admission to the place. However, none were discontented at the crowded condition of the theater, for all realized that the cause was a good one.

The action of Jake Goodfriend in contributing the theater for the use of the volunteers without charging a cent for expenses, has won for him a warm place in the hearts of the fire laddies, and it is assured his work will not be forgotten. The boys cleaned up something like \$250 on the evening which will greatly reduce the deficit of \$350.50.

The standing committee on entertainment who arranged and conducted the affair last evening are William Shaffer, King Pearce, John Leach, Larry O'Connell, Hugh Hurd and W. L. Young.

### WILL VISIT EUROPE.

Rt. Rev. Henry W. Robinson, bishop of this diocese, announced yesterday that he has practically completed all arrangements for an extended tour of Italy. It will include such historic art centers as Rome, Naples, Florence, Genoa, and other beautiful Italian centers. Bishop Robinson will sail from New York April 14th.

## SOCIAL CLUB WILL GIVE DANCE THURSDAY EVE

WILL HAVE FIVE-PIECE ORCHESTRA FOR THE OCCASION.

For next Thursday evening the Tonopah Social club has booked another of its pleasant affairs which have become the favorable comment of our dance-loving public. Aside from the regular program and "extras" the execution by Professor Walker of new, intricate and fancy figures in which is attained the satiety of the most fastidious, is, to say the least, charmingly exquisite.

The young men of the club are to be complimented upon the Chesterfieldian method and manner in which strangers are entertained. In their orchestra of five pieces more finished artists can not be procured; the novelty of an hour's instruction is the prescription par excellence, productive of an enjoyable evening at the shrine of Terpsichore.

Put a dollar in your pocket, come, see, and be conquered by the sweet strains and dizzy mazes at the Miners' Exchange hall next Thursday evening, January 20.

## LAST RITES PERFORMED FOR DR. HAMMOND

FUNERAL SERVICES WERE HELD YESTERDAY AT OAKLAND.

Henry C. Schmidt, exalted ruler of the Tonopah lodge of Elks, received a dispatch yesterday afternoon announcing that the funeral of Dr. C. L. Hammond was conducted according to the plans announced Monday. The services were held by the Oakland lodge of Elks at the lodge rooms, after which the remains were escorted to a crematory, where the remains were reduced to ashes, in conformity to a wish of the deceased. Fully sixty Tonopah people were present at the services, many of them being members of the Tonopah Elks. The casket was described as being covered with many beautiful floral pieces, the tributes of local orders and friends, all of which had been ordered by telegraph. A huge piece, in which the figures "1062" were shown in colors of white and purple, was ordered by the local Elks. The Tonopah Eagles also sent an elaborate floral decoration.

Robert L. Prouty and Puddy Grimes, who represented the Tonopah Elks, are expected to return tomorrow and will probably be accompanied by Mrs. Hammond and her two children.

### AUTO RACES AT THE BUTLER TONIGHT

The famous automobile races, which were to have been shown at the Butler theater Monday evening, will be displayed on the curtain this evening. This film is a late one, in fact it is photographs taken of auto races of last year. Barney Oldfield is clearly portrayed in a record-breaking dash. An exciting scene is presented when one of the machines leaves the track and dashes madly up a hill. The admission will remain the same—that is, ten cents per performance, of which there are three. The first show starts at exactly 7 o'clock.

### CHASED BY LION.

While returning from Lake Valley on a pair of snow shoes last Monday, Robert Bull of Sheridan had an experience that he will not soon forget. After crossing the summit and starting on his descent to this valley he suddenly discovered that he was not alone but was being trailed by a huge mountain lion. Being unarmed Mr. Bull's position was not an enviable one. He increased his speed but Mr. Lion was not to be so easily shaken. After following his prey for some miles the lion finally gave up the chase. Mr. Bull considers himself very fortunate in making good his escape.—Gardnerville Courier.

## NO CHANGE IN DIMENSIONS OF BELMONT LEDGE

HIGH GRADE VEIN ON 1100 LEVEL SHOWING UP IN FINE SHAPE.

It was reported last evening that the new ledge in the Belmont had widened out to a distance of eighteen feet between walls, but inquiries from the officials at the mine disclosed the fact the rumor had emanated from the brain of some person desirous of causing a sensation. As was stated in yesterday morning's Bonanza, the ledge was 14 feet in width, and the same dimensions were observed last evening. It has been taking two or three shifts to break the face of the drift from wall to wall and consequently the progress has been somewhat slow. The ledge continues to show a tendency to widen but it rests with the future developments to prove this to be a fact.

The Belmont stock was the feature of the market yesterday and at an advance of 20 cents. The stock opened at \$1 bid but buying orders forced the price until at one time \$1.30 was offered, with but few shares to be had. It was reported that the price on the New York curb was considerable higher than the San Francisco quotations, but this could not be confirmed.

TONOPAH HIVE No. 6 HOLDS INTERESTING SESSION LAST NIGHT.

Following the session of the lodge, at which the new officers took up the work of the order, Mrs. Hannah Lydon, the retiring lady commander, was presented with a handsome past commander's pin. An elaborate banquet, such as is always arranged by the Maccabees, for an occasion like this, was served, to which the members of the order enjoyed to the extreme.

The following are the new officers to serve for the ensuing term: Past lady commander, Hannah Lydon; lady commander, Nellie M. Brooks; lieutenant commander, Katie Murphy; recorder, Rose D. ## PROPOSES TO DEVELOP PROPERTY AT MANHATTAN

LETSON BALLET WILL SUBMIT PROPOSITION TO OHIO CAPITALISTS.

Letson Ballet, consulting engineer of the Buckeye Mining company, who left Sunday to attend the annual meeting of the stockholders, will endeavor to interest some of his associates in a proposition that calls for deep sinking in the Manhattan district.

Mr. Ballet, as an engineer has always expressed himself as having great confidence in the future of Manhattan—and says that "a few good deep shafts will make Manhattan a great producer." While on this trip he expects to close arrangements with a group of capitalists with whom he has been in correspondence for a year, who will develop one of the leading inside properties for the company, and if he is successful Manhattan may see some deep mining in the "Buckeye way." As an economic operator Mr. Ballet has made a record in the Buckeye work, that few can equal, as a reading of the report published in this paper will show.
